

DECLARATION AND POWER OF ATTORNEY FOR UTILITY OR DESIGN PATENT APPLICATION

Attorney Docket Number: FSP0348

Client Reference Number: 287846US

Title: EFFICIENT, SCALABLE, AND RELIABLE DELIVERY OF INTERACTIVE PROGRAM DATA

Application Number: 10/578,872

This declaration is being submitted after the initial filing of the below-referenced patent application. A missing parts transmittal and late filing fee are included.

I, a below-named inventor, hereby declare that:

- My residence, mailing address, and citizenship are as stated below next to my name.
- I believe I am an original and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled efficient, scalable, and reliable delivery of interactive program data, the specification of which was first filed as PCT international application PCT/US2004/037619, and as a United States domestic application having an application number of 10/578,872.
- I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.
- I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.
- All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Foreign Application(s) and/or Priority Claims

I (We) hereby claim foreign priority benefits under Title 35, United States Code Sections 119 and/or 365 of any foreign application(s) for patent or inventor(s) certificate listed below and have also identified below any foreign application for patent or inventor(s) certificate having a filing date before that of the application on which priority is claimed, or any PCT International application designating at least one country other than the United States:
